I recently took a solo trip to Jibhi with travexx, and it was an incredible experience. Traveling alone allowed me to immerse myself to meet new people. I enjoyed exploring beautiful waterfalls, trekking with awesome view, cafe hopping, trying the local cuisine (siddu) and taking in the stunning scenery. The independence of solo travel was liberating, and I felt a deep sense of accomplishment navigating and planning everything on my own. Highly recommend travexx for anyone looking to discover more about themselves and the world. Thanks to Megha and himanshu for making the stunning trip for me. 😊 😊 😊

I visited Jibhi with them and it was an awesome experience. The captains were extremely cool, friendly and helpful. They are flexible around the itinerary as well which allows you to explore as per your liking and doesn't makes you feel like running on a time crunch to check off the list only. Infact, it provides you with far better experience and memories. They took us to some serene off-beat points as well. We had so much fun during ice breaking activities and games. Majority of people were solo travelers including females and the atmosphere was quite accommodating. I would definitely recommend them!!!
